(5:30-8:00=Rebecca Harrison)

Each child is responsible for serving their time in the kitchen. A parent or friend is asked to work each date listed on the schedule. Varsity parents work during JV games reporting to duty at 3:00 and no later than 3:15. They will be responsible for opening the kitchen. JV parents will report to the kitchen immediately following the JV game. During their shift they will be responsible for shutting down the kitchen and cleaning it for the next event. Each child is required to work each shift, failure to do so results in a \$35 dollar charge that will be awarded to their replacement. You may exchange shifts for your convince, but there are replacements for a \$35 dollar charge. The replacements are listed at the bottom. Please contact a replacement to fill your shift if you can not work. Thanks for all your hard work that makes this kitchen possible.

Please call me with any questions or concerns at 943-5389. If you are unable to find a replacement please contact me within 24 hours of your shift.
