No. 04

God is spirit, and his worshipers must worship in spirit and truth.
John 4:24

MISSION STATEMENT

The mission of Terra Ceia Christian School is to equip students to serve their Lord and Maker in all areas of life.

Principal's Report

In July, I informed the School Board that they need to search for a new administrator. The Board has appointed the following people to the search committee: Roger Klaassen, Dwight Respass, Jeanne Van Staaldunin, Beth Hubers, Willie Jefferson, and Myra Beasley. Please remember them in your prayers.

Carole and I are thrilled by how God has blessed us all these years. We believe this is what He wants for us and Terra Ceia Christian School.

In the meantime, my plan is to have a terrific school year.

ANNOUNCEMENTS

PUMPKIN FESTIVAL

The TCCS Pumpkin Festival on October 9 is quickly approaching. This is a fun day for the students and their families as they come to see which student grew the heaviest pumpkin. The festival is a fun family centered event for young and old. Earlier this year, students were given a seed to take home and grow. On the day of the festival, students will weigh their pumpkins and an award will be given to the child with the heaviest pumpkin. During the week preceding the festival, students will do various pumpkin activities,

including decorating a pumpkin as their favorite book character. In the past, the students have had some great characters. At the festival we will be having food and games. A worker's list will be in News and Notices. If you are going to be out of town, please let me know within the next week. This year, I would like to have a **Chili Cook Off**. If you're interested in participating in the Cook-Off, please let me know soon so I can begin to make plans. I am really looking forward to another great time this year!

Lady Knights Featured

The Lady Knights have been featured in a Softball/Baseball Training Book. The Next Level: Diamond Master Training for Field, Business & Life, written by Coach Richard Fox, features the 2010 TCCS Lady Knights softball team. Coach Fox lived in Washington for about 3 years. During that time he managed THE CAGE in Washington for me and provided instruction to many area baseball and softball players. In the 2009 and 2010 seasons he was very involved with the TCCS team.

The book he has written was just recently finished and is now available. It is a training book chocked full of real life stories from his life as a coach and other life events that he tied to the sport. Several of the TCCS girls are a part of the stories and training techniques. Anyone wishing to purchase a copy can do so through the Athletic Committee. A copy of the book can be seen in the school office. The cost is \$17.95 Due to the impact our softball team had on him, Coach Fox is graciously donating \$5 from each book sold to the Athletic Committee. Anyone wishing to purchase a copy can do so by calling me at 946-2093 or 975-6956, or placing your name on a list in the office. Checks need to be made payable to the TCCS Athletic Committee.
