

# Terra Ceia Christian School Basketball Kitchen Schedule

A parent of each player is responsible for serving in the kitchen. A parent, grandparent, uncle, aunt or friend of the family can fill this position as long as your time slot is filled. If you are unable to work your assigned dates you may exchange shifts with parents of other players. Parents have the option of paying a replacement to cover their shift, this cost is \$45.00 paid directly to your replacement. It puts stress on everyone serving in the kitchen when it is short staffed. Please do your best to cover your assigned time or exchange shifts with another parent. Operations work smoothly with 4 persons staffing each shift. You will be charged \$45.00 if you do not show up to cover your shift in the kitchen. If you do exchange shifts, or get a replacement please communicate that to Jessica Roscoe @ 252-945-8279 or Jamie VE @ 252 943-6094. Carra Davis is managing the kitchen again this season.

## Replacements

Virginia Respass 252-945-8262

Heather Hubers 252-945-0567

Abby Manning 252-944-5023

Trudy Respass 252-799-6310

Jonathan VE (Varsity only games) 252-945-5513

In most situations we have Varsity parents serving during Junior Varsity games, and Junior Varsity parents serving during Varsity games in order to accommodate parents watching their child's game. Please remember that the shift times listed are estimates. 1<sup>st</sup> shift parents should report to the kitchen around 3:00pm to open the kitchen and serve until the Varsity game begins, around 6:00pm. 2<sup>nd</sup> shift parents should report to the kitchen at the end of the JV boys game and stay until the Varsity game ends and the kitchen and lobby are cleaned. There is a full list of duties will be displayed in the kitchen for each shift.

ServSafe techniques must be followed while working in the kitchen. The manager will instruct and supervise parents working their shifts.

- a. Wash hands prior to beginning work, after handling money and after using the restroom. Use warm water, antibacterial soap, dry hands and then turn the water off with the paper towel.
- b. Everyone needs to wear hair restraints (hat, visor, or hair net).
- c. No jewelry on hands or wrists other than a plain wedding band.
- d. Every volunteer must sign the Volunteer Health Plan.
- e. No bare hand contact with ready to eat food, food handlers must wear gloves.

Thank you for your support and help in this endeavor!
