

Terra Ceia Christian School Basketball Kitchen Schedule

A parent of each player is responsible for serving in the kitchen. A parent, grandparent, uncle, aunt or friend of the family can fill this position as long as your time slot is filled. If you are unable to work your assigned dates you may exchange shifts with parents of other players. Parents have the option of paying a replacement to cover their shift, this cost is \$45.00 paid directly to your replacement. *If one of your nights is only one game one night, that cost will only be \$35.00.* It puts stress on everyone serving in the kitchen when it is short staffed. Please do your best to cover your assigned time or exchange shifts with another parent. Operations work smoothly with 4 persons staffing each shift. You will be charged \$45.00 if you do not show up to cover your shift in the kitchen. If you do exchange shifts, or get a replacement please communicate that to Jessica Roscoe @ 252-945-8279 or Jamie VE @ 252 943-6094. Carra Davis is managing the kitchen again this season.

In most situations we have Varsity parents serving during Junior Varsity games, and Junior Varsity parents serving during Varsity games to accommodate parents watching their child's game. Due to not having a JV boys team this year, it will be done a little different. Please see schedule. Please remember that the shift times listed are estimates. 1st shift parents should report to the kitchen around 4:00pm to open the kitchen and serve until the Varsity game begins, around 6:00pm. 2nd shift parents should report to the kitchen at the end of the JV girls game and stay until the Varsity game ends and the kitchen and lobby are cleaned. There is a full list of duties displayed in the kitchen for each shift.

ServSafe techniques must be followed while working in the kitchen. The manager will instruct and supervise parents working their shifts.

- a. Wash hands prior to beginning work, after handling money and after using the restroom. Use warm water, antibacterial soap, dry hands and then turn the water off with the paper towel.
- b. Everyone needs to wear hair restraints (hat, visor, or hair net).
- c. No jewelry on hands or wrists other than a plain wedding band.
- d. Every volunteer must sign the Volunteer Health Plan.
- e. No bare hand contact with ready to eat food, food handlers must wear gloves.

Thank you for your support and help in this endeavor!
