Wednesday, February 29

Career Day for high school students (grades 9-12) is planned for February 29. Students are asked to follow someone working in a career or vocation of their interest for the day. This has been a very rewarding and interesting experience for the students in the past. If you are willing to have a student follow you in your workplace, please contact the school office at 943-2485.

****There is no school on this day for students, it is a teachers' workday.**

ANNOUNCEMENTS

Thank you to everyone who participated in the Backyard Brawl on Saturday evening. Thank you also for the very generous donations to the Children's Miracle Network. The donation box at the gate alone raised over \$2500 for our children's hospital in Greenville, NC. Be sure to watch the Children's Miracle Network telethon the first weekend in June when we will present the check on behalf of the PCA/TCCS Alumni Games. The concession stand brought in \$1200 selling BBQ plates, drinks, and snacks for the Children's Miracle Network. It is hard to beat a fun night and over \$3,700.00 in donations to a great cause that has touched several families in both schools. We hope the Backyard Brawl can become a tradition.

THANK YOU!

Our staff has really enjoyed Teacher Appreciation Week! We would like to thank everyone who helped make this a special week for them. If you were unable to participate, it is never too late to show gratitude! Our teachers and staff need our encouragement, partnership and prayers as they continue their tasks this year. Feel free to send them a note or tell them that they are appreciated, regardless of what week it is! Thank you again for all your help in this endeavor.

HIGH SCHOOL THEATER

A special thank you goes out to Lynne Furlough and Stephanie Hendrix for stepping forward to direct the High School play this year. Those interested will meet on Thursday, February 23rd @ 5:30 in the gym. Any students or parents who would like to participate in any way (set design, costume design, etc) are asked to attend the meeting as well.

YARD SALE

Terra Ceia's annual yard sale will be held on March 3. If you have anything that you would like to donate, you may bring it to the school gym and put in the back room. **Workers are needed on Friday to set up and on Saturday throughout the event. Please call Terry Vander Aa at home 935-5312 to sign up for a shift.** Please remember all Ladies Auxiliary fund raisers help to keep our tuition low.

SPORTSMANSHIP CODE

The NCISAA recognizes that independent school interscholastic athletic events must be conducted in such a manner that good sportsmanship prevails at all times. It is necessary that administrators and coaches be individually and collectively responsible for taking every possible step to promote good sportsmanship at every interscholastic event. These steps must include the provision of safe and adequate facilities for participants,

spectators, and official; the best possible officials for the events; and adequate control of spectators, players and pregame and postgame activities. Every effort must be made to promote a climate of wholesome competition. While the NCISAA governs varsity play, middle school and JV teams are expected to honor NCISAA rules of sportsmanship.
