

Terra Ceia Christian School

JV & Varsity Basketball Kitchen Schedule

A parent of each player is responsible for serving in the kitchen. A parent, grandparent, uncle, aunt or friend of the family can fill this position as long as your time slot is filled. If you are unable to work your assigned dates you may exchange shifts with parents of other players. Parents have the option of paying a replacement to cover their shift, this cost is \$35.00 paid directly to your replacement. It puts stress on everyone serving in the kitchen when it is short staffed. Please do your best to cover your assigned time or exchange shifts with another parent. Operations work smoothly with 2-3 persons staffing each shift at this time. You will be charged \$35.00 if you do not show up to cover your shift in the kitchen. If you do exchange shifts, or get a replacement please communicate that to Jamie VE @ 252-943-6094. Abby Newton is managing the kitchen this season 252-661-3358.

Replacements

Pierce Williams 252-945-8058

Kaia Van Essendelft 252-944-1234

Abby Newton 252-661-3358

We will be operating the kitchen with restrictions this season. At this time, we will only be selling prepackaged items and some prepared food. Please remember that the shift times listed are estimates. Varsity Boys parents should report to the kitchen at the end of the Middle School Boys game and serve until the Varsity Girls game begins. *If Varsity Girls is the first game of the evening, please arrive 20 to 30 minutes ahead of game time.* Varsity Girls parents should report to the kitchen at the end of the girl's game and stay until the Varsity Boys game ends and the kitchen and lobby are cleaned. There is a full list of duties displayed in the kitchen for each shift.

Even though currently we are not preparing foods, please use these ServSafe techniques while working in the kitchen. The manager will supervise parents working their shifts.

- a. Wash hands prior to beginning work, after handling money and after using the restroom. Use warm water, antibacterial soap, dry hands and then turn the water off with the paper towel.
- b. Everyone must wear a mask and/or face shield while working in the kitchen.
- c. Simple jewelry on hands or wrists.
- d. Hair coverings are preferred working around food.

THIS SCHEDULE IS SUBJECT TO CHANGE BASED ON RESTRICTION POLICIES
