Kitchen: For Kitchen Duty, we are assigning a player along with their parent to work the kitchen instead of two parents per game. At the time the varsity player needs to leave to prepare for her game that parent will be in the kitchen by him/her self for a small period of time. The day that you are assigned to work in the kitchen, your admission to the game will be free. **If you are unable to work your assigned dates, you may exchange shifts with parents/players or pay a \$35 fee that will be awarded to your replacement.** Madison Perry (252-945-5505) and Hannah Greer – Tuesday games only (252-944-3499) has offered to serve as a replacement.

If you know you will NOT be able to work your shift, please contact one of them in advance to schedule them to cover your shift. The times listed above are estimates.

Varsity parents should report for kitchen duty at 3:30 to serve until the Varsity game begins. JV parents should report to the kitchen at the end of the JV game, stay until the Varsity game ends and the kitchen and lobby areas are cleaned. Please restock the drinks for the next game also. If you have any questions, please contact Jessica Roscoe by phone or text at 252-945-8279 or by email Theroscoes@gotricounty.com

Line Judge: A parent/guardian of each player is responsible for serving as line judge during the volleyball season. Due to the lack of participation at times from the visiting team regarding a line judge, we have assigned two parents per game. IF the visiting team brings a line judge, the first parent on the list is the line judge, the second parent in italics is the “if needed” line judge. When we go to the away games, we may have to line judge, but we will fulfill our part and assigned two during OUR home games. Feel free to tell the other team during the away games “No Thank you” UNLESS they provide a line judge at our Home games, then we need to line judge at away games as well.

You should report to the official, near the end of warm-ups prior to the game starting, to receive your flag and instructions.

If you are unable to serve on your assigned date, please exchange dates with a parent of another player or find a suitable replacement.

If you have any questions or concerns, please see one of the coaching staff.

Thank you in advance for your support of our Terra Ceia Lady Knights Volleyball teams!
