GENERAL INFORMATION

1. History of the MACAA

This conference has been promoting Christian Athletics that honor the Lord Jesus Christ for over 30 years. From its inception, the MACAA has operated as a conference where every school has a voice and vote.

2. The Goal of the MACAA

The goal of the MACAA is to create an environment where Middle and High School student-athletes (5th-12th grade) can compete while being encouraged to grow in character and their faith. The MACAA understands that its member schools, although they will be competing against each other, are all part of the same team with the same mission: Engage, Equip & Empower.

- **Engage:** To meet each student-athlete where they are
- **Equip:** To develop their individual talent through healthy competition and strong teamwork
- **Empower:** To send them forth into the world with characteristics that go beyond the scoreboard

The MACAA desires to unite Christ-Centered schools who wish to impact and influence their students through athletics. The MACAA member schools will work together to create a competitive athletic environment that honors God, represents their schools and develops the student-athlete. The MACAA and its member schools will strive to set a Godly example of excellence.

3. The Purpose of the MACAA

The purpose of the MACAA is to provide an organized association for athletic competition in various sports between Christian schools who meet the standards and conditions for association participation. To promote and showcase the talents and Christian testimonies of the participating young people through school competition. To provide opportunities for effective cooperation and inter-fellowship of participating schools. To develop attitudes and actions that reflect Christian character in the leadership, participants, and organizations, which make up the association.

4. MACAA Statement of Faith

The MACAA seeks to participate in Christian Fellowship, as well as athletics. In order to maintain a Scriptural and “Brotherly” atmosphere of fellowship, a unity of faith must be agreed upon by all member schools and their participants. Our agreement of faith is as follows:

We Believe:

- The Bible is the inspired and only infallible and authoritative Word of God
- There is one God, eternally existent in three persons: God the Father, God the Son and God the Holy Spirit
- In the Deity of Our Lord Jesus Christ, in His virgin birth, in his sinless life, in His miracles, in His vicarious and atoning death, in His bodily resurrection, in His ascension to the right hand of the Father and in His personal future return in the power and glory.
- The only means of salvation is through genuine repentance and faith in the precious blood and sacrifice of Jesus Christ (Acts 20:21) and not through an “..works of righteousness which we have done...” (Titus 3:5)
- In the regeneration by and indwelling of the Holy Spirit in every believer

- In the visible, bodily return of the Lord Jesus Christ to this earth to rapture His church and judge the world
- In the resurrection of both the saved and the lost – the saved unto eternal life, the lost unto eternal damnation
- In a literal Heaven and a literal Hell
- Those believers should seek, as the early disciples did, to practice the separated life from the world and unto Christ, and to set standards of conduct which shall exalt our Lord and His church.

THE STATEMENT OF FAITH MAY NOT BE AMENDED.

12.0 • Sportsmanship

12.1 • Sportsmanship

The MACAA places a great emphasis on sportsmanship. Along with our member schools, we want to ensure that our student athletes play in an environment that allows them to experience the very best in athletic competition. In order to accomplish this objective, the league is governed in a manner that always puts the best interest of the student-athlete first. The MACAA requires that all schools and players treat each other with proper respect. At no time should a member school humiliate or embarrass another member school by defeating them in a disrespectful manner such as running up the score. All schools can exemplify excellence and compete at the highest level while showing respect to their member schools.

The MACAA also requires that all schools, coaches, players, and game personnel follow the goals of the MACAA set out in this manual. No school, coach, players, or game personnel shall behave in a manner through speech or conduct that can create a divisive atmosphere at any MACAA sanctioned event. In a member-driven league every school has an essential investment in the MACAA and all should strive to treat each other with the utmost regard while playing their absolute best. We ask that all Athletic Directors, coaches, parents and players promote good sportsmanship and act in a manner that brings glory to God. School administration, Athletic Directors, and coaches should promote this culture within their schools and address any issues that may occur during the season. Our member schools should be proactive in order to prevent any issues that may arise. All game administrators should be aware of and enforce the MACAA standards for good sportsmanship. The MACAA is a competitive league, but our first responsibility will always be to the personal growth and development of the student athletes.

12.2 • Public Protesting

Any school or member of a school that uses a MACAA event for their own purpose of staging a public protest is out of compliance with the Sportsmanship Section of this manual and subject to league discipline which could include immediate ejection from the league.

12.3 • MACAA Good Sportsmanship Statement

We recommend this statement be read before every MACAA game:

“The MACAA and its member schools have made a commitment to promote good sportsmanship by students, athletes, coaches, and spectators at all MACAA sanctioned events. Please represent your school with the highest regard. Any profanity, degrading comments and intimidating actions directed at officials, competitors, or other spectators will not be tolerated and are grounds for automatic ejection from the event site. Spectators are not allowed to enter the

competition area during warm-ups or while the contest is being conducted. Thank you for your cooperation in the promotion of good sportsmanship at today's MACAA event."

12.4 • General Code of Conduct

Member schools are always encouraged to use Matthew 18:15-16 as the standing principal for any disputes that may arise, remembering we are one body in Christ with a goal of glorifying our Father in Heaven. If conflict arises between member schools, they must first attempt to work out the issues among themselves. If the issue is not resolved, the schools can ask the MACAA to act as a mediator between the schools to help come to a resolution.
