Games begin at 4pm, unless otherwise noted. Times may not be exact due to unforeseen delays in game start and/or end time. Please arrive in the kitchen 5 minutes before your designated time. Any family member of the athlete may serve as long as they are 16+ years old. If you are unable to serve your assigned shift, you will be held responsible for finding your own replacement to fill your time slot (You may do this by switching times with another parent or paying for a substitute). If you would rather pay a substitute to work your time, there will be a fee of \$45 per shift that you will need to pay to the person who fills in for you. Please give your substitutes as much of a heads up as possible to help us and the kitchen to prepare accordingly.

We will try our best to help each person with accommodating a scheduling issue, but in the case that we cannot, please reach out to a fill-in below. Student- Kaylee Robinson 252-325-1719, Virginia Alonso 252-947-5486, or Misty Cutler (JV boys/Varsity girls only) 252-944-7845. If you or another family member would like to volunteer in some capacity during game times, please reach out. We are always happy to have volunteers learning about our athletic program.

If you have any questions or concerns, please feel free to reach out to Misty Cutler (cell 252-944-7845).
